BI-WEEKLY UPDATE SHS INSIGHTS

SMG SPECIALTY CARE

From the receptionist at the front of the hospital to Dr. Bagley, all the SW Memorial staff were helpful, clear & friendly. Thank you.

Dr. Jones was thorough, listened, and attentive, his demeanor was excellent, and he suggested a treatment plan, and pinpointed the exact location of the problem. Not only all these but he followed up to see how my wrist was doing. With his treatment, my wrist is like night and day. I had been in so much pain. The next day it was feeling so very much better. I will highly recommend him to any and all. Thank you, Dr. Jones.

I found the care extremely caring and competent, friendly. It was really a scary experience and I came away thinking it was wonderful and I appreciate it very much.

SMG WALK-IN CARE

I really appreciate the care that I've received at this facility. I have been there two or three times myself, and everything is always so professional, I get things done and taken care of, and it's really nice to have a facility like this. Thank you.

I took my son to Urgent Care and was pleasantly surprised that we could get in right away. Dr. Stanwix was just super, answered all our questions, and was very professional, personable competent...I appreciated the experience. Thank you.

The service from the reception to the MA, to the provider was great. It was all efficient, and very professional. I felt that I was heard. My concerns were answered and met. And the follow-up in a couple of days was amazing as well. So thank you.

EMERGENCY DEPARTMENT

Both the nurse and the doctor were very great and the lady who checked us in was wonderful. Thank you guys.

We were seen in and out of there like in an hour and we got great care. We really appreciate it. The doctor was great. The nurses were great. Everybody was good. Thank you very much.

From the ER check-in to the complete staff at the ER! I was totally panicked and they were on top of everything! Being raised in a medical family I felt relieved to know how well our ER reacts to situations! So proud of everyone on duty that early morning! Congratulations! Job well done!

SOUTHWEST MEMORIAL HOSPITAL

Kathy has been kind and very patient helping me get my scheduling correct and changed at times. I have a head injury resulting in short-term memory issues at times. She keeps me reminded after all of my appointments. She is kind and friendly and gives a welcome smile when I arrive. Thank you for having such a caring lady at the front desk.

Jamie has been one of my main nurses since the beginning of allergy shots last fall. She is so considerate and has taken the time to get to know me. I am always cold, and she has a cover for me and orders a cup of hot coffee to warm me up. She always makes me feel cared for, like I'm at home. I love to share with the community how blessed we are to have such amazing nurses in Infusion.

Dan has definitely gone above and beyond to assist me in the strengthening of my upper body and legs. He was always prepared to seek assistance from fellow employees when needed, specifically during transferring from the chair to a bed. Dan also figured out ways to accommodate exercises that I could do while lying down or while in my wheelchair. He consulted with Wendy and Brenton to keep them informed of progress and questioned if certain exercises would be proper or detrimental to my injuries. Dan is very professional.
